SHINE FOR JESUS

HOLIDAY CLUB 2026
SERVE TEAM

FACT SHEET

Edge Church, we believe it is a Jubilee Year for our church. A year of rest, release, restoration, and new beginnings. Not just a milestone to remember, but a sacred moment where we consecrate ourselves again and say, "Lord, we trust You."

And we believe God is calling us forward by faith.

Join the Holiday Club 2026 Team as we keep trusting for more and create a space where kids can discover that just like a supernova lights up the darkness, we are called to shine the light of Jesus in a dark world.

ROLES:

EDGE KIDS JUNIOR GROUP LEADER (AGE 3-5: MORNING PROGRAMME)

Edge Church is big on discipleship, and we're even bigger on discipling our little people. A group leader leads a small group of kids and journeys alongside them as they grow in their personal relationships with God, assisting with crafts, spending time discussing the teaching of the day and building a relationship with them.

SENSORY SUPPORT TEAM

Edge Church is committed to creating a space where every child feels safe, seen and supported. This team helps children who may feel overwhelmed by noise or transitions by providing a calm environment to regulate and reset. Ideal for those who are patient, attentive and bring a calm, steady presence, with a passion for supporting children with different needs.

3D GROUP LEADER (GR R-3: MORNING PROGRAMME)

Edge Church is big on discipleship, and we're even bigger on discipling our little people. A group leader leads a small group of kids and journeys alongside them as they grow in their personal relationships with God, assisting with crafts, spending time discussing the teaching of the day and building a relationship with them.

EPIC GROUP LEADER (GR 4-7: EVENING PROGRAMME)

Edge Church is big on discipleship, and we're even bigger on discipling our little people. A group leader leads a small group of kids and journeys alongside them as they grow in their personal relationships with God by spending time discussing the teaching of the day and building a relationship with them.

CREW

All the magic happens behind the scenes, and without our crew teams Holiday Club would not be the fun, clean and safe environment it needs to be. We need crew members to run set-ups of venues, crafts and games, assist our life group leaders, control our parking lots for drop-offs and pick-ups, assist in security, and be available to assist with basic first aid (if you are qualified to do so) while also creating a fun-filled atmosphere for our kids/teens.

CHECK-IN

To assist with creating the safest possible environment for children, a thorough check-in process is essential. This role will welcome and check-in each child as they arrive for the programme and issue them with a sticker that needs to be worn throughout the day.

KITCHEN

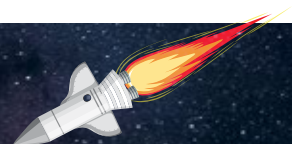

Food is a big part of our culture and we want to cater for all our volunteers. This role will involve preparation and serving of meals during training weekend and the week of holiday club in the building.

DIGITAL MEDIA

This role involves photography and videography capturing all the highlights of the week as well as creating catchy Social Media posts with captions that really capture the essence and feel of what has happened throughout the day.

DRAMA

Calling all creatives! If you love acting, scriptwriting, costume designing and making, prop designing or directing this role is for you. We want to share the love of God in a fun, creative and relevant way throughout the week.

TUCKSHOP

Children love tuckshop and this is a great way to connect with them. This role involves stock control and setting up and packing away of stock daily, operating our point of sale system during times the tuckshop is open as well as doing stock take reconciliations daily.

PARENT CONNECT

Parents/families are key role-players in discipling our kids and we want to lovingly welcome and connect with them as they drop their kids off. This role would assist parents with building relationships with our teams as well as getting their kids connected to their Group Leader, and supporting our group leaders.
